

Magnetic Project Mat

Product Diagram (STMAGMAT)

Component	Function
1 Magnetic Project Mat	<ul style="list-style-type: none"> A lightly magnetized surface, used to hold small metal components in place (e.g. computer screws).
2 Dry Erase Marker	<ul style="list-style-type: none"> Used to identify and organize small metal components on the Magnetic Project Mat.

Requirements

For the latest requirements, please visit www.startech.com/STMAGMAT

- (Optional) Dry Erase Board Cleaner x 1

Package Contents

- Magnetic Project Mat x 1
- Dry Erase Marker x 1
- Quick-Start Guide x 1

Using the Magnetic Project Mat

Notes: Only use a **Dry Erase Marker** to write on the surface of the **Magnetic Project Mat**.

Do not roll or fold the **Magnetic Project Mat**. Rolling and/or Folding may damage the surface of the **Magnetic Project Mat**.

1. Place the **Magnetic Project Mat** next to your work area, on a dry, clean, and flat surface.
2. Place a small metal component (e.g. computer screw), on the surface of the **Magnetic Project Mat**.
3. Use the **Dry Erase Marker** to highlight (circle) the component and write a brief description of the component.

Note: You can draw a grid pattern on the **Magnetic Project Mat** to divide the magnetic area into grids in order to better organize the small metal components.

Cleaning the Magnetic Project Mat

- Use the **Felt Dry Eraser** on the end of the **Dry Erase Marker** to clean any marks made by a **Dry Erase Marker** off of the surface of the **Magnetic Project Board**.

Note: A dry erase board cleaner (sold separately) can be used to clean the **Dry Erase Marker** off of the surface of the **Magnetic Project Board**.

Use of Trademarks, Registered Trademarks, and other Protected Names and Symbols

This manual may make reference to trademarks, registered trademarks, and other protected names and/or symbols of third-party companies not related in any way to StarTech.com. Where they occur these references are for illustrative purposes only and do not represent an endorsement of a product or service by StarTech.com, or an endorsement of the product(s) to which this manual applies by the third-party company in question. StarTech.com hereby acknowledges that all trademarks, registered trademarks, service marks, and other protected names and/or symbols contained in this manual and related documents are the property of their respective holders.

Warranty Information

This product is backed by a five-year warranty.

For further information on product warranty terms and conditions, please refer to www.startech.com/warranty.

Limitation of Liability

In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.
